11/18/2022	219	SDNY Dkt. 06841	PRE-TRIAL ORDER NO. 4 terminating 214 Letter Motion for Leave to File Document. The Court Orders asfollows: 1. Conforming Amendments and/or Motions to Amend have been filed by Lead Counsel in the Advertiser Class Action (Doc 316), Lead Counsel in the Publisher Class Action (Doc 320), Counsel in the Associated Newspapers and Mail Media individual publisher action (Doc 318) and Counsel for 24 Newspaper plaintiffs in individual publisher actions (Doc 325). Without conceding that the proposed amended pleadings state a claim for relief, defendant Google LLC, including to the extent applicable Alphabet, Inc. and YouTube LLC (collectively "Google") do not oppose the filing of the amended pleadings subject to its right to move to dismiss the amended pleadings (Doc 354). Google seeks leave to move to dismiss the proposed amended pleadings (Doc 367). In the case of the motions filed by Lead Counsel in the Advertiser Class Action and counsel for 24 Newspaper plaintiffs in the individual publisher actions, Meta Platforms, Inc. ("Meta") opposes the amendments on grounds of futility (Docs 355 & 356). The Court will grant leave to file the amended pleadings (Docs 316, 318, 320 and 325) without adjudicating the issue of futility, and subject to the right of each defendant to move to dismiss the amended pleadings. The amended pleadings (each of which has been submitted as part of the motions to amend) shall be separately filed by December 2, 2022. 2. Plaintiffs SPX Total Body Fitness LLC, Skinny School LLC and Mint Rose Day Spa LLC assert that they may amend their complaints as of right. 1 Pursuant to the Court's authority under Rule 16(b)(3)(A), Fed. R. Civ. P., any amended pleading to be filed as of right shall be filed by December 2, 2022. 3. By February 3, 2023, Google and, to the extent applicable, Meta may move to dismiss each of the federal claims in the amended pleadings authorized or contemplated in paragraphs 1 and 2 hereof and the complaint in any other Member Case of this MDL (other than the action brought by the State Plaintiffs), including the Organic Panaceas complaint. Each set of plaintiffs may respond by March 3, 2023 and Google and Meta may each reply by March 31, 2023. Each party's main briefs may not exceed 30 pages and reply briefs may not exceed 20 pages. In view of the Court's September 13, 2022 Opinion and Order addressing many overlapping issues, the parties may reference but should not brief issues that have been decided by the Court in the September 13 ruling unless necessitated by the unique allegations of the non-movant's pleading. 4. Google seeks to file a motion to dismiss the state law claims in the State Plaintiffs' Third Amended Complaint (Doc 357). The State Plaintiffs seek to amend their pleadings before any motion to dismiss is filed. The Court will continue the stay of Google's time to answer, the time for any amendment by the State Plaintiffs and any motion practice on the state law claims without prejudice to the right of any party to apply to the Court to dissolve the stay ninety days after entry of this Order. The State Plaintiffs and Google shall meet and confer on a stipulation as to the effect on any of the state law claims of the Court's Opinion and Order of September 13, 2022, including preservation of a party's right to appeal or reinstate a state law claim that survives or is dismissed premised on the ruling on the analogue federal antitrust claim, and report to the Court within 21 days. 5. The stay in paragraph 4 shall also apply to any state law claim in any of the other Member Cases of this MDL. 6. The Clerk shall terminate the parties' motions and letter motions (Docs 316, 318, 320, 325, 357, 367 in 21-md-3010; Doc 54 in 21-cv-3446; Doc 214 in 21- cv-6841; and Doc 115 in 21-cv-7034). SO ORDERED. (Signed by Judge P. Kevin Castel on 11/18/2022) (vfr) (Entered: 11/18/2022)

01/12/2023	432	MDL Dkt. 3010	ORDER: Meta Platforms, Inc. ("Meta") asserts in a letter dated January 4, 2023 that because all discovery relating to the Network Bidding Agreement ("NBA") has been stayed and, it asserts, that all claims against it relate to the NBA, then all discovery against it is stayed. The syllogism appears correct, provided the premise that all claims against it relate to the NBA is correct. Because no pleading against Meta has ever been before the Court for a ruling and none is cited in the letter, the Court is unable to accommodate the request that the Court confirm that [discovery] deadlines in PTO-5... do not apply to it.The Court does note that no other party has taken issue with the assertion in the January 4, 2023 letter. (f/k/a as Facebook) (the "NBA") constitutes an illegal contract, combination or conspiracy, such claim is hereby deemed dismissed. To the extent that any State Plaintiff alleges a state antitrust claim in the TAC based on allegations that Google's use of Encrypted User IDs constitutes monopolization or attempted monopolization of markets for ad exchanges, large-advertiser buying tools, and/or small-advertiser buying tools, such claim is deemed to have failed to allege that such conduct is anticompetitive. 03/06/2023	495	MDL Dkt. 3010	PRE-TRIAL ORDER NO. 6: For reasons explained in Pre-Trial Order No. 1 and on the record at the September 24, 2021 conference, proceedings with regard to the States' state law claims have been stayed. Google has outlined the perceived deficiencies in the States' DTPA claims and the remedies sought by the States pursuant to those claims in a pre-motion letter dated October 28, 2022. (ECF 357.) The States now seek to amend their state law Deceptive Trade Practices Act("DTPA") claims, including allegations relating to remedy. (ECF 466.) The States' application does not relate to the federal antitrust claims nor to the States' state law analogues to the federal antitrust claims. Google opposes the application (ECF 473), arguing that the States have been afforded a full and fair opportunity to assert their strongest and best DTP A claims. The Court will allow the States to file a further amended complaint amending the Third Amended Complaint only as it relates to the DTP A and remedies for violations of the DTPA provided it does so within 60 days of this Order. Google's time to answer the further amended pleading is stayed pending further Order of this Court. SO ORDERED. (Signed by Judge P. Kevin Castel on 3/06/2023) (ama) (Entered: 03/06/2023)

05/16/2023	243	SDNY Dkt. 06841	ORDER: The Court held a pretrial conference today on the coordination of discovery in this MDL with a similar action brought by different plaintiffs before Judge Brinkema in the Eastern District of Virginia. United States v Google LLC, 23 cv 108 (E.D. Va.) (the "E.D. Va. Action"). The Court notes with gratitude the efforts of Magistrate Judge Anderson of the Eastern District of Virginia in resolving certain issues relating to the draft Coordination Order. The revised draft, following Magistrate Judge Anderson's rulings, has gained the assent of the parties to the E.D. Va. Action. The Court has considered the oral presentations and written submissions of the parties to the MDL relating to the draft Coordination Order. Pursuant to the authority of Rule 16(a)(1), (a)(3), (b)(3)(B)(ii), (c) (2)(F), (L) & (P), Fed. R. Civ. P., the Court is prepared to enter the draft Coordination Order in the MDL (with two minor changes) and will await delivery of a final execution copy. There are additional provisions relevant to coordination that relate solely to the MDL actions and, thus, are set forth in this Order. For good cause shown, the Court may allow parties to the MDL to examine witnesses for additional time beyond the limit set forth in in the Coordination Order or any prior Order of this Court if a party produces documents after the deadline for substantial completion of document production and the belated production has meaningfully impacted the deposition of the witness. To avoid interfering with the timely proceeding of discovery in the E.D. Va. Action, any such extended examination will occur after the conclusion of fact discovery in the E.D. Va. Action. The Court does not presently anticipate lifting the stay of discovery relating to the Network Bidding Agreement ("NBA"). But if the stay is lifted, the Court acknowledges the right of parties to the MDL to conduct discovery relating to the NBA and will enter appropriate Orders at that time. All depositions of MDL plaintiffs are stayed until the conclusion of fact discovery in the E.D. Va. Action. SO ORDERED. (Signed by Judge P. Kevin Castel on 5/16/2023) Filed In Associated Cases: 1:21-md-03010-PKC et al. (ama) (Entered: 05/16/2023)
05/16/2023		MDL Dkt. 3010	Minute Entry for proceedings held before Judge P. Kevin Castel: Case Management Conference held on 5/16/2023. The Court heard argument on 1) a coordination order with the Eastern District of Virginia Litigation, 2) search terms for use in discovery and 3) the stay related to Inform Inc. See Order in relation to coordination. The parties will update the Court on the status of search term negotiations. The Court will await further submissions from the parties on the stay as to Inform.
